Hi all, just to let you know that as from Monday (23rd) when school officially closes you can start following the planning we have provided on the school website. We will also start posting literacy tasks each day on Tapestry.

We do not expect children to follow the timetable that was included in the most recent letter home. Instead we have put together a simple timetable that follows what we do in reception as close as possible. The tasks are short and involve lots of breaks! You can view this on Tapestry or on the school website.

We completely understand that many of you will have your own work to do and will not have time to stick to this timetable. It is a suggested timetable table only and is for parents who are able to and would like to follow a more set routine. We are more than happy for you to create your own timetable, that fits in with your family and your jobs.

Also, please note that if your child has older siblings at home and is interested in the topics that they are doing we are happy for you to adapt learning activities as appropriate so it is easiest for you!

Over the week end we will post a clip of ourselves on tapestry talking to the children about learning from home and that they must listen to you and be good! I hope this helps but let us know if you have any issues with behaviour or listening and we will send a clip to your child personally!

On Monday we will also post the first literacy task for children to record in their blue books. We will try doing these as video clips for children to follow along with. Please pause the clips if your child needs more time (whilst writing). Please also stop the clips where and when you feel your child has had enough or have reached their capability. We will always start off with letter formation and move progressively unto writing words and then sentences so you can stop at any point. We really don’t want children to become upset trying to do something they are not ready to do yet.

Please also be aware that the amount of work, the type of work and the way in which we do things may change on a day to day basis, for example if we ourselves become unwell or the country is placed in lock down.

Ultimately it will be a lot of trial and error for a while so please bear with us. We are really keen for children to continue to make the excellent progress they have made so far so will be working hard to ensure that this is possible.

As always please keep posting all of the work your child does on tapestry and message us if you have ANY questions. We are here for you all.

Mrs Adams and Mrs Richards 😊
